

JOE CORNELL

2012 - 2013 Registration Form Attention Current 5th Grade Parents

We are pleased to offer a 12 week series of dance lessons and parties for 6th graders (**beginning Fall, 2012**). This program is geared toward preparing your children for their transition into young adulthood.

Don't miss out! Registration begins NOW while your child is in the 5th GRADE and classes fill quickly!

Participants have so much fun, they may not realize they're learning. As a parent, though, you'll surely notice positive changes. Since 1957 Joe Cornell has worked to build **social confidence** and **increased self esteem** through dancing.

Each one hour weekly class includes social partner dancing basics, line dancing, and current freestyle basics. The curriculum also features our very popular "VIP Date Night," a themed costumed dance party, and our "Party Like a Rock Star" graduation dance... each offering the perfect opportunity to practice what they are learning.

"...Last night's class was such a great thing! What a fantastic throwback! What a lovely refreshing and wholesome approach! I am so glad my daughter is in the class! I just wanted to thank you for keeping the kids' first co-ed dance experience classic and timeless. You accomplished that with great manners mixed with reaching out to the kids with humor, games and a sincere caring for the pre-teens' sensitive feelings. Great job!"

Sincerely, Laura R, parent

Over 60 years of making learning fun in a nurturing and positive environment - that's the Joe Cornell way! We hope you'll join us for another amazing season!

Sincerely,

Steve
